Dear Fellow Lions,

Welcome to our first Newsletter of the year! As your District Governor, it is both an honour and a privilege to connect with you through these pages. As we embark on this new Lions year, I want to express my deep gratitude for your unwavering commitment and enthusiasm. Your dedication to service truly exemplifies the spirit of Lions International.

Our District is starting this year with a renewed sense of purpose and energy. The challenges we face are opportunities for growth and innovation, and together, we will rise to meet them. Each of you plays a vital role in our collective success, and your passion for service drives our mission forward.

In the coming months, we will focus on several key areas:

1. **Strengthening Community Impact:** We will continue to support local initiatives and respond to pressing needs within our communities. Your involvement in service projects is crucial, and I encourage each Club to explore new ways to make a meaningful difference.

2. **Membership Growth and Engagement:** Expanding our membership base is essential for sustaining our impact of service. Let’s work together to recruit new members and ensure that our current Lions are engaged and inspired. I am pleased to announce that as at 18<sup>th</sup> of August we have a nett growth of 19 members, to the Clubs that have contributed I say thank you.

3. **Leadership Development:** Investing in the growth of our leaders is vital for our District’s future. We will be offering various training sessions and leadership opportunities to help you hone your skills and take on new challenges. The new Lion Portal has several resources for training and development.

We are delighted to invite you to a special event featuring a phenomenal woman, Dr. Patti Hill, the Immediate Past International President. Dr. Hill is not only an accomplished teacher, administrator, psychologist, and small-business owner, but she is also a visionary leader who has dedicated her life to making a meaningful difference.

However, when you ask Dr. Hill what truly matters to her, it isn't her impressive resume that she'll mention. Instead, she'll speak passionately about the lives she's touched, the communities she's uplifted, and the positive change she's championed across the globe.

Join us as we welcome Dr. Patti Hill to South Africa and hear firsthand from a woman whose work and wisdom continue to inspire and empower.

Back to the hotel for a bit of rest and a freshen up and then on the road again with chauffeur PDG Sydney van Heerden to Midrand for the Meet and Greet Function where it was the distinct honour of the Lions Club of Midrand to host the function.

## PRESIDENTS MESSAGE – JULY 2024

Follow my travels around the world, and see our global service in action.  
Follow me on Facebook.

Dear Lion,

Growing up in Brazil as part of an entrepreneurial family, I learned how important it was to have a vision and a plan to achieve it. And I also learned how important community is to each of us who call it “home.”

That’s the spark that led me to Lions. I saw something special in Lions—an opportunity to give back to the community that had been so good to me. As Lions, we have the opportunity to leave a lasting mark every time, and everywhere, we serve.

That’s why “Make Your Mark” is my message to Lions and the world.

So let’s make our mark by inviting others to join our clubs. Let’s make our mark by serving more people than ever before. And let’s make our mark together.

It is my honour to serve as your International President.

At your service,

**Fabrício Oliveira**  
International President

### Shaping Our Future

President Olivera’s programmes and initiatives will focus on four key priorities for Lions International that are critical to our mission of service.

1. Growing our membership and Clubs for greater impact.
2. Becoming stronger together through LCIF support.
3. Taking the next step as Lions and Service Leaders.
4. Capturing the imagination of our communities through great marketing.

**PRESIDENTS MESSAGE – AUGUST 2024**

Dear Lion,

Making your mark is easier when you invite others to help you meet the growing needs of your community and our world. That’s why we launched *MISSION 1.5* and set a goal of reaching 1.5 million members by 2027.

Everyone has a role to play in growing our service, so be sure growing your club is central to your plans for the year. It’s important to keep in mind “why” growing is so important. When our clubs and districts grow, our service grows. Our visibility grows. Our influence grows. And we grow as Lions. So, lead the way by inviting friends and family to join you in making your mark!

At your service,

**ARBOR WEEK – DISTRICT 410E**

(DC Marketing, Lion Barbara Hocking)

Arbor Week (28 August – 4 September) is just around the corner, and it's the perfect time for our Lions Clubs to step up and make a green impact in our communities! We've outlined several exciting ideas for your Clubs to execute during the week:

**Activity Ideas:**

-  **Tree Planting Drives:** Organize a community tree planting event in local parks, schools, or public spaces.
-  **Adopt-a-Tree Campaigns:** Encourage community members to adopt and care for a tree, with certificates and tree care guides.
-  **Tree Parties:** Host festive tree planting events combined with picnics, music, or family-friendly activities.
-  **Youth Engagement:** Partner with schools or Scout groups to hold educational workshops or tree care demonstrations.

**Social Media Campaign:**

We encourage you to share your Club's activities online and engage your communities through social media. Here are a few ways to amplify your efforts:

-  **Hashtags:** Use #LionsForTreesSA or #LionsPlantHope to create a unified campaign across clubs.
-  **Photo Challenges:** Post pictures of tree planting activities, encouraging others to share their own using the club's hashtag.

**Stories & Impact:** Share the stories behind your trees and how they're making a difference in your community. Highlight before-and-after photos or showcase youth involvement.

**Engage with Followers:** Invite your followers to join in by planting their own trees and tagging your Club in their posts.

Let's make this Arbor Week unforgettable by inspiring our communities to get involved and showing our collective impact online.

We're already well into our new Lionistic year and I'm thrilled to see all the service being done by all Clubs. On behalf of your communities, I thank you!

Below is a calendar of suggested events for Service Projects in the year. DG Perry has specifically requested that we do Diabetes Projects around Diabetes Awareness Day: 14 November, and please don't forget our Big Walk for Little Warriors on 15<sup>th</sup> February. If any of the Clubs need help in planning a walk, please contact me.

Since we very successfully held a few District and Multiple District projects and campaigns last year, we'd like to expand on that and try and do at least one District/MD project for each of our pillars this year.

**Environment:**

Arbor Week is 29 August to 4 September and we hope that most Clubs will be involved in planting a tree or two or more. The tree of the year is the Searsia Lancea, Karee Searsia Leptodictva, Mountain Karee.

**Vision:**

October is Eye Care Awareness Month to raise awareness about the importance of eye health, specifically around the prevention and treatment of avoidable blindness. **WORLD SIGHT DAY, 10 OCTOBER 2024**, will highlight the critical importance of prioritising child eye health, and give children everywhere the opportunity to love their eyes. Please do as many Sight related projects during this time.

**THE LIONS SHARE**

**Diabetes:**

NOVEMBER IS NATIONAL DIABETES MONTH, a time when communities across the country seek to bring attention to diabetes. I'd like to encourage all Clubs to hold Diabetic Screening or an Awareness project of some kind near the 14TH NOVEMBER WHICH IS WORLD DIABETES DAY. I'm very excited to hear that Zone 8 is planning a Diabetes Camp this year.

**Hunger:**

One idea that has been mentioned to do country-wide is a COLLECT-A-CAN PROJECT AT VARIOUS SHOPPING CENTRES throughout District 410E and MD410. Each Club or Zone could collect tinned food, build a tower at the shopping centre, and then afterwards distribute them to the people in need in their respective communities.

Once again, thank you for making a difference in your communities. Please don't forget to report on your service projects on the Lions Portal.
