Issue 7 (2024-2025) – March 2025

### “BETWEEN THE LIONS” (DG PERRY CHETTY)

Dear Lions of District 410E,

As we move further into 2025, I am filled with immense pride and gratitude for the dedication and passion displayed by each of you in serving our communities. Our collective commitment to service continues to make a difference, and I am excited to share some of the key updates and milestones from the past month.

### Chartering of the Lions Club of Orkney

One of the most remarkable achievements this month has been the Chartering of the Lions Club of Orkney. This marks a significant milestone for our District, as it is the first new Lions Club to be chartered in eight years. The enthusiasm and energy of these new members inspire hope for the future of Lionism in our District.

Compliments go to our Zone Chairperson Riaan Wilkin and Lion President of Klerksdorp Pieter Du Preez on starting the initiative and following through. Congratulations to all involved in making this a reality! Let us support and mentor our newest Lions as they embark on their journey of service.

### Membership Growth & Retention

Membership remains a top priority for our District. We must continue our efforts to attract new members while ensuring our current Lions remain engaged and motivated. Each Club is encouraged to host membership drives, promote our impact via social media, and create meaningful service projects that inspire others to join. Remember, growth starts with us—one conversation, one invitation, and one act of kindness at a time. We are looking forward to Chartering another Club in our District being the Lions Club of Lenasia on 31 May 2025. Heartiest congratulations to the Lions Club Branch of Lenasia on inducting 7 new members this past month. To all the Clubs that have added new members thank you as by having more members we can offer more service. We are certainly moving in the right direction with membership growth. Currently District 410E has 877 members, with a net growth of 52. And we have 35 new members in waiting.

## THE LIONS SHARE

A special thank you goes to our GAT team who are driving membership growth aggressively and with passion with the Region and Zone Chairpersons.

### Upcoming Events & Training

**Cabinet Meeting:** Our next Cabinet Meeting is scheduled for 1st of May 2025 at Goudini.

**Leadership Development Workshops:** Stay tuned for upcoming training sessions aimed at strengthening our leadership and service effectiveness. **Please take note of the dates for Club Officer Training which is contained in this Newsletter and will also be communicated by DC GLT PDG Patrick Mills to all Clubs. It is imperative that ALL future Presidents, Secretaries and Treasures attend, to ensure that we can have uniformity (speaking with one voice) and compliance in our District.** Times are changing and we must keep abreast with this change. Training 101 is therefore vitally important for both long serving and new members.

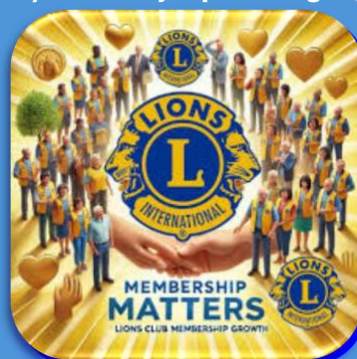

**Service Projects:** Clubs are encouraged to share their upcoming service activities so we can support and celebrate them together. **A SERVICE CHAIRPERSONS FORUM** will soon be introduced to share our successes and failures. DC GST Sandy King will be introducing this.

### Recognizing Excellence

A special thank you to our Clubs that have gone above and beyond in their service projects this past month. Whether it's feeding programmes, environmental initiatives, or youth engagement, your efforts are truly making an impact. If your Club has an inspiring story, please share it with us for future Newsletters by email to PCC Jacqui Hocking (Editor) via email: [jacquihocking55@gmail.com](mailto:jacquihocking55@gmail.com).

### Final Thoughts

As we look ahead, let's continue to uphold the spirit of Lionism with enthusiasm and dedication. Know your members as membership satisfaction is the key ingredient in having a family orientated Club and District. Together, we are shaping a stronger, more vibrant District 410E. Thank you for your service and commitment—our communities are better because of you.

Yours in Service,

Perry

### VERY IMPORTANT-NON NEGOTIABLE Uploading of Club Officers 2025-2026

(DC GMT, PDG Alistair Tuckett)

Please ensure that the Incoming Officers for your Club are registered for the new fiscal year **no later than 15 May 2025** on the Lions Portal. This deadline is essential, as it allows International and District officials to compile the necessary directories and contact details for Club Officer positions. Proper registration (with correct contact details) ensures that, starting 1 July 2025, all communications reach the appropriate individuals efficiently.

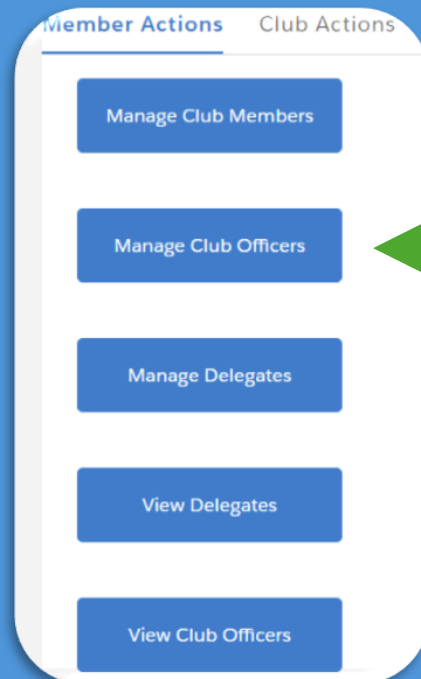

Missing this deadline creates challenges for outgoing Club Officers, as making corrections after this date becomes significantly more difficult.

Herewith the "how to" to assist you:

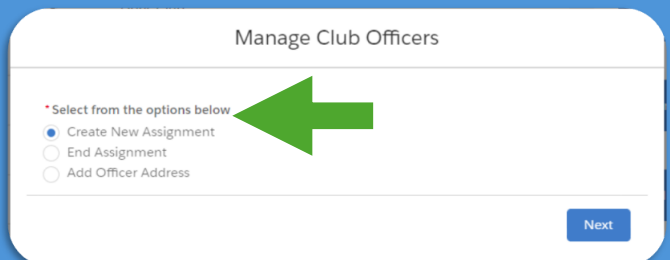

Log onto Lions Portal / My Club

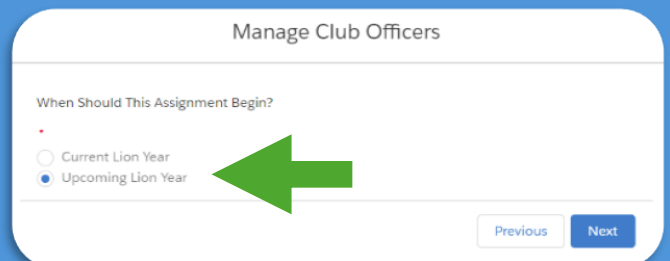

Select "Manage Club Officers" under "Member Actions" on the righthand side.

Select "Create New Assignment" and then select "Next"

Select "Upcoming Lion Year" and then select "Next"

## THE LIONS SHARE

Click and select under Officer Type drop down menu (either Officer or Administrator) / Title Type.

**VERY IMPORTANT - For Club President, Secretary, etc., please use the OFFICIAL Title Type, only use Local for Club specific positions, e.g. Community Centre Director. Select "Next"**

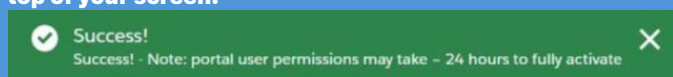

Select the relevant member as per the list that comes up for your Club Membership.

Select "Next" to upload each Club Officer.

Full Name	Member ID
Bothwell Chegovo	4818214
Alberto De Azevedo	3137152
Jacqui Doyle	4917035
Barbara Anne Hocking	2680550
Cliff Hocking	1399207
Jacqui Hocking	1399208
Roy Anthony Michas	2527030
Dawn Ethel Michas	3741600
Emmanuel Musonza	5974323
Patricia Nyereyegona	4427412

Once all your Club Officers are loaded for the 2025-2026 year, then select "Finish".

Continue until all your officers are loaded and when all are loaded and complete, you will get a "green bar" at the top of your screen.

Check within 24 hours to see if it has pulled through – you can view by selecting "View Officers" / "Future Year".

Thank you for your cooperation in ensuring a smooth transition for the upcoming year.

## WHAT IS WORLDWIDE INDUCTION DAY (DC GMT, PDG Alistair Tuckett)

Lions Worldwide Induction Day (WWID) is a global event dedicated to welcoming new members while inspiring membership growth and increasing public awareness of Lions Clubs International. Held annually on the last Saturday of April, this year's event falls on **Saturday, 26 April 2025**.

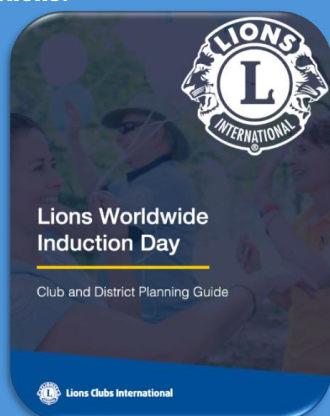

## THE LIONS SHARE

Since 1917, Lions have served their local communities, reaching out to those in need. As the demand for Lions' service grows, so does the need for quality members to embody the association's motto, "We Serve." WWID serves as a symbolic event to demonstrate Lions Clubs International's commitment to recruiting dedicated members and addressing community needs. Participating in this event not only helps stimulate membership growth but also raises awareness about your Club's activities and impact.

### Celebrating Worldwide Induction Day

Lions Clubs across the globe celebrate WWID by sharing their experiences on social media using the hashtag **#WorldwideInductionDay**. A social media kit is also available from Lions Clubs International (LCI) to help promote the event effectively. In addition, a comprehensive guide with event planning tips, recruitment ideas, and public relations strategies ensures that clubs can host successful and meaningful WWID celebrations.

### Key Elements of a Successful WWID Celebration

Contained in the Comprehensive Guide as mentioned above (click on the hyperlink)

1. **Strong Membership Campaign.**
2. **Meaningful Ceremony.**
3. **Effective Public Relations Plan.**

### Launch a Strong Membership Campaign

The primary goal of WWID is to recruit quality members in a positive and newsworthy manner. Resources such as the **Just Ask! New Member Recruiting Guide** are available to support your membership drive. Below are five proven recruitment techniques:

1. **Challenges:** Introduce friendly competition by challenging Clubs, Zones, or Regions to recruit the highest number of new members.
2. **Recruitment Night:** Encourage members to invite potential Lions to a special meeting that highlights the Club's projects, accomplishments, and fellowship.
3. **Project Volunteers:** Invite the public to participate in a Club project, fostering mutual understanding.
4. **Member-Get-A-Member Campaign:** Ask members to submit names of potential candidates to the membership committee. Consider colleagues, neighbours, community leaders, educators, professionals, or youth activity participants.
5. **Advertising and Promotion:** Use techniques like setting up community event booths, publicising club activities in newspapers, conducting direct mail campaigns, or creating a club website to highlight your impact.

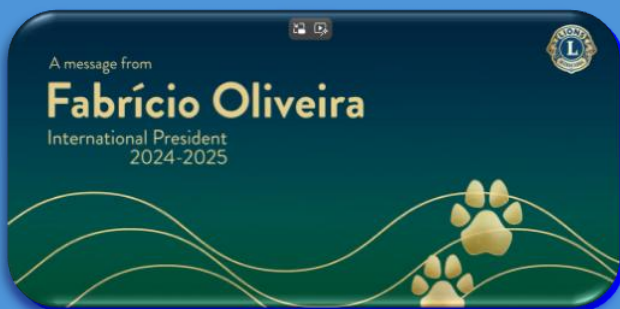

Once your campaign is complete, provide DG Perry with the estimated number of new inductees so that special **certificates**—signed by the International President can be prepared. The Clubs/Zones/Regions Induction Ceremony Coordinator will assist in organising the event. Clubs are responsible for inviting and registering new members for the induction ceremony, ensuring everyone feels warmly welcomed into the Lions family.

### INTERNATION PRESIDENT FABRÍCIO OLIVEIRA LETTER TO YOU – MARCH 2025 “IT’S TIME TO BUILD OUR FUTURE”

Dear Lion,

To ensure a thriving organization, we must continue to innovate and involve even more people in our service. One of the best ways to achieve both is by increasing the number of young Lions and Leos. This will help us reach our **“MISSION 1.5”** goal and set us up for a bright future.

So, collaborate with your Club to ensure it’s a welcoming, inclusive and energizing place that will attract young people—and all people who want to serve. The next generation of Lions starts now.

At your service,  
Fabrício Oliveira  
International President

### LCIF NEWS – MARCH 2025

Dear Lions and Leos,

I am continually impressed by the innovative ways that Lions and Leos worldwide create positive change in your local communities and across the globe. LCIF is proud to offer grants and programs that enable us to serve more people and respond to the world’s changing needs.

This month’s newsletter highlights how Lions in Japan used an LCIF grant to meet the needs of people impacted by a devastating earthquake. We also feature a video that shows how the LCIF Lions Quest program is making a big difference for school children in El Salvador. I encourage you to [make a donation](#) to LCIF if you are inspired by these examples of Lions and Leos changing lives. Your gifts are what make LCIF’s support possible.

Yours in service,

### STRENGTHEN 410E

(FVDG Avril Hobbs)

The definition of **STRONG** and **STRENGTHENING**:

**Strong:** Having the power to move heavy weights or perform other physically demanding tasks.

**Similar words:** powerful; muscular; sturdy; fit; vigorous; mighty

**And Strengthening:** able to withstand force, pressure or wear.

**Similar words:** secure, indestructible.

As a District we need to be all of the above.

This initiative has been flourishing for 3 years, and with every Lion on board we will move towards again, being a **STRONG** full District. So how do we do this....

**REJUVANATE** our Clubs to be the service organisation of choice in our communities. Ensuring all the reporting is done monthly and on time, our admin is completed professionally. By keeping all Club members informed of what is happening in the District, if you not getting communications check your email at LCI, District and Club level are correct!

By **REBRANDING**: When did your Club last get apparel that all Lions wear to projects? Did you stand out as a cohesive group, a together team? Do we look like a FUN group or "family" to belong to? When at projects do you look like a professional outfit with up to date and eye catching signage with the correct logo (it is not new anymore!)

10 | Page

**FOCUS ON THE SOCIAL SIDE** of being a Lion: wish birthdays on the correct date, maybe give a small gift from the Club; have regular get togethers, maybe after every Club meeting. Share the expense of meals/snacks by taking turns to supply them. This is a great opportunity to bring friends and potential Lions to see we are more than service, we are family. Ensure conflict is dealt with quickly by doing so quickly. A small issue then can't grow to a full blown challenge. Keep all Lions feeling as if they are appreciated, this is the task of not only the president but all Lions. Sponsors fulfill your role and take care of new members.

Be **INCLUSIVE** on ALL levels. Check on Lions you suddenly don't see; listen to all ideas for projects and don't be quick (this is aimed at seasoned Lions) to say this hasn't worked before, who knows an injection of enthusiasm may be all this project needs. Allow everyone's passion to shine. Remember you are not obliged to attend every project, but if you say YES, then follow through, don't bail if something better comes up.!

Once we've strengthened our Club from within, we start looking at **GROWING** your Club. This is the **RESPONSIBILITY** of EVERY LION. Remember if you pop off/leave/get ill who is going to take your place!!! Brutal but the fact: replace yourself and then add at least one more member to grow your Club.

### “MAKING OUR MARK”

(District 410E Club Stories as submitted)

#### Lions Club of Wilro Park

On 7 March 2025, the Wilro Park Lions delivered their Baby Bags to the local Helderkruijn Clinic to the Clinic and Ward Manager and Sister Guglethu.

They were very grateful for the gifts and Sister Guglethu will make sure that they are given to the Moms most in need! Their Bags contain the basics mostly for newborn babies unless the Club receives a special request. This is an ongoing project and only deliver a few bags at a time as the Clinic keeps a Register and lets them know when they have a need.

Wilro Lions are all MAD - Making A Difference at Tandanani! On 8 March 2025, they had a fabulous MAD party and loads of fun - lots of food, fancy dress, fun and games.

The morning ended by doing a quick clean up, picking up papers and learning that "It Starts with ME", colouring in poster and button badge to complete the activities – environmental education.

The Wilro Park Lions visited the children and families at the two CHOC Houses in Soweto and Children's Cancer Ward at Baragwanath Hospital on 22 March 2025. It was special Saturday meeting the brave Little Warriors fighting cancer and each of them received a Care Bag as well as Easter Eggs and Hot Cross Buns. Their motto is "Keeping Hope Alive!" It was quiet at the houses because of the long weekend, some children and their Carers had gone home for the weekend! From the House Zodwa took the Lions to the children's Oncology Wards where they handed out more Children's Care Bags - caring & sharing - a gift, a chat, a hug, and a prayer.

The excitement could be felt as the guests arrived and Guiding Lions CCE Ian and IPDG Lindie as well as PDG Alistair helped put up banners and made sure all the membership kits were in place ready for the ceremony. The live band was setting up on the stage for the party afterwards.

MC CCE Ian started proceedings by welcoming all and introducing the speakers to follow. He also read messages of congratulations and well wishes from Lions in the District who weren’t able to attend the function. Following the Lions Creed which was read by ZC Riaan, DG Perry, Lion Kantha, CCE Ian and PDGs Patricia, Alistair, Lindie, MDC Sandy, CS Melinda, ZC Riaan, LPs Willie, Mukesh, Mina, Pieter and the members from Klerksdorp and Stilfontein Lions Clubs were warmly welcomed and toasted by Prospective Lion Elsje.
